Helio handles also available in 316 marine grade SS

- 3041S 450mm
- 3043S 600mm
- 3047S 900mm

WHAT'S THE DIFFERENCE BETWEEN 304 STAINLESS STEEL AND 316 MARINE GRADE?

316 Marine Grade has higher chromium content making it more resistant to discolouration. However all stainless steel can develop tea stain unless cleaned and waxed regularly. See FAQ 9 on our website for more information.

Got ideas?
We can make almost any
timber handle design

Woodworkers custom manufacture timber handles to achieve various architectural effects in red cedar, rosewood, Vic. Ash or other woods on request using computer controlled CNC machining. Custom handles are fabricated for each specific application and can be moulded to an infinite variety of design options. POA
